Videos

1. Tough Guise, Media Education Foundation

By Jackson Katz and Jeremy Earp, Media Education Foundation. Tough Guise examines the relationship between images of popular culture and the social construction of masculine identities in the U.S. at the dawn of the 21st century. (Abridged version: 57 minutes; full length version: 82 minutes)

2. Wrestling with Manhood: Boys, Bullying and Battering, Media Education Foundation

Drawing the connection between professional wrestling and the construction of contemporary masculinity, this video details how so-called “entertainment” is related to homophobia, sexual assault and relationship violence. (60 minutes)
