### **Dating Bill of Rights**

*Dating Violence Intervention Project, Delaware Coalition Against Domestic Violence. Cambridge, MA: Teleduction, Inc. 1998*

A diverse cast of teenagers works through interview, role-playing, and reveal their own experiences in order to promote awareness about the violence that can occur when dating. The teens ask honest questions and discover practical solutions that will help the viewer develop skills in order to avoid and leave dangerous relationships and situations. By examining this issue, the video also deals with alcohol, rape, sex, and self-respect. This video will empower young adults to make safe and smart decisions about dating.
